Pastor's Message

William D. Watley, Ph.D.
Senior Pastor

Muriel L. Watley
First Lady

he Pastor's Message for this year's Annual Conference Report comes in the form of a prayer:

Gracious God we praise you for your vision of growth for our lives. We praise you that you have a vision for our lives that is greater than any vision that we could possibly have for ourselves. We praise you for the ways in which you are growing us as individuals and as a church. We pray that we will always have discernment and wisdom to view our own individual growth and our own individual goals in relationship to your vision for your church and your kingdom. You are growing us spiritually. As a church you are taking us to new levels of worship and service, of giving and witnessing, and of sharing. You are growing us numerically. As a church you are constantly adding numbers to your kingdom through the ministry and witness of this church. We praise you for the 478 souls that gave their lives anew to you this past year. We praise you our financial growth. We praise you for the increase in tithes and offerings reflected in the \$1,866,000.00 that your people gave in praise and in thanksgiving to you.

We praise you for this past year's Church Growth Conference. We praise you for this past year's Fall Revival. We praise you for the Women's Weekend. We praise you for the new dimensions of Men's Ministry. We praise you for the Millennium New Years Eve Worship Service. We praise you for Essex County College and their willingness to host our worship services when our present sanctuary is too small to hold the throngs of people who gather for worship.

We praise you for the St. James Preparatory School. We praise you for the Day of Dedication that brought so many personalities of distinction from the ranks of leadership of this state. We praise you for the faithfulness and generosity from both our members and our friends who contributed over \$100,000 on that day. We praise you that every day St. James Prep is becoming more and more a Christian Academy of Excellence.

We praise you for the vision of Christian educational excellence that guides this church. We praise you for the vision of the St. James Christian Learning Center, which seeks to provide classes that ground your people in the Word and helps them to apply the Word to every area of their lives. We praise you for

*"Let everything that
breathes praise the
Lord! Praise the Lord!"*

Psalm 150:6

its three departments: Spiritual Development, Christian Witness and Leadership, Christian Stewardship and Economic Development. O God, we pray that the St. James Christian Learning Center will become a true beacon of light for educating and equipping your people for a new quality of living and new dimensions of service.

We praise you O God for how we continue to grow in our outreach services to those in the wider community. We praise you for the completion and opening of the Center for Family Life at St. James and for the medical services that it will provide for so many. We praise you for the diligence of so many who feed the hungry on a daily basis, who provide clothes for those in need, and who offer their testimonies and assistance in the areas of drug rehabilitation and alcohol counseling. We praise you for those who guide our young people through our Safe Haven Summer Camp and the Inter-generational After School Program.

We praise you for new dimensions of youth ministry and youth worship. We praise you for our ever growing and changing dance and music ministries. We praise you for the vision for expanding our ministries to seniors.

We praise you for all of those too numerous to name whose contributions have added so much to the life, character and growth of your church known as St. James.

Now Lord we pray that you will continue to grow us to your glory. Grow us to full maturity as followers of our Lord and Savior Jesus Christ. We pray that II Peter 3:18 will become our daily creed, "But grow in the grace and knowledge of our Lord and Savior Jesus Christ. To him be the glory both now and to the day of eternity. Amen." Thank you Lord. We praise you Jesus Christ, our Savior and our Lord, Great Shepherd of the Sheep, who was and who is and who is to come, our living, reigning and soon coming King. In his name do we pray with thanksgiving, Amen.

EXECUTIVE MINISTER

In the early part of 1999, Rev. Watley revealed God's vision for the people of St. James: "God wants you to grow spiritually, numerically and financially." The Educational Ministries embraced this vision and walked in it by expanding their programs and/or beginning intensive planning for the new millennium.

The Sunday School department began charting its course to greater participation. Plans were laid for teacher training and curriculum development. The Youth Bible Study adopted a regular schedule and created age-appropriate classes. The Women's Bible Study welcomed a new instructor, Rev. Rochelle Hendricks. The Men's Bible Study grew to average 60 men in attendance each week.

Some of the highlights of 1999 include the graduation of 91 students from New Life Ministries, a 14-week course that teaches the basics of the Christian faith, history of the AME Church and an introduction to our local church.

We were also blessed to witness the creation of the Christian Men's Network (CMN), an outgrowth of the Men's Bible Study. In September, CMN hosted their first worship service at which over 500 men and boys were present. In December, they hosted another worship service and a workshop on financial management.

During the spring, the Women's Ministry sponsored a "Pamper Yourself Day". The women journeyed together by bus and spent a relaxing and rejuvenating day at an African-American owned spa. In November, the

Women's Ministry held their third annual Women's Weekend. The theme was "Women Growing for God's Glory". In 1999, God blessed us to retreat for two days in upstate New Jersey and to expand our program by including overnight accommodations.

In November, Rev. Watley unveiled the next piece of the vision: "Grow for God's Glory through Education". With this, the St. James Christian Learning Center (CLC) was born. CLC is an innovative, adult learning institution housed in the state-of-the-art St. James Preparatory School building. St. James CLC provides classes and courses of study that lead to certification in Spiritual Development, Christian Leadership and Christian Stewardship along with language certification in Biblical Hebrew and New Testament Greek. Classes for Spring 2000 are scheduled to begin in February and the Fall term will begin in August.

I thank God for the vision, the visionary and the privilege of another year of service to the Master.

"But those who look into the perfect law, the law of liberty, and persevere, being not hearers who forget but doers who act—they will be blessed in their doing."

James 1:25

Rev. Teresa Lynn Rushdan

MINISTER OF PASTORAL CARE

The year 1999 proved to be an exciting year in the area of Pastoral Care. The Lord enabled us to further extend our love and concern for church and community by putting our care into action with the implementation of two new dynamic ministries.

The first is the Single Parent Family Ministry. Spearheaded and directed by Rev. Rushdan this ministry is committed to the fellowship, love, support and encouragement of single parents and their children. With Christ as our center and the Word of God our foundation we seek to strengthen, and motivate single parent families through bible teachings, workshops, and lectures on subjects such as Divorce Recovery, Christian Family Values, Financial Stress/Growth, Dating, Self-Esteem and Continuing Education.

The second new ministry is the Greeters Ministry. The Lord gave vision for this group of personable, spirit-filled individuals who implement their gifts of love and enthusiasm by providing the vital service of greeting, directing, and escorting people who attend the services and other activities at St. James A.M.E. Church. These hosts and hostesses also assist in distributing information about church functions to members and visitors alike. They are easily recognized by their vivacious smiles and bright red jackets. Sisters Cindy Carr and Jean Graham are the Lay Leaders.

Care Ministries include the following:

- Sick and Shut-In Visitation— assisting the Minister of Pastoral care are Rev. Thomasena Woodward, Rev. Jean Bonds and Bro. Mashod Evans and Sis. Grace Thomas.

- HIV/Aids Ministry— Sis Felicia Briggs, Lay Leader.

- Prison Ministry— Sis. Daphne Gaters and Bro. William Hollis, Lay Leaders.

- Seniors Ministry— Rev. Thomasena Woodward, visionary and Leader.

- Grief and Bereavement Ministry— Rev. Teresa Rushdan, Sis. Juanita Moss and Sis. Phyllis Snead. (Provided upon individual request.)

- Reach Out and Touch Prayer Ministry— Dr. Watley provides prayer for the congregation, which is then sent out electronically to each home. Rev. Jean Bonds Co-Coordinator.

- In addition, the Minister of Pastoral Care is responsible for arranging all funerals, repasts, weddings, baptisms, pre-baptismal counseling and other administrative duties that include preaching and teaching.

We give God praise for all He has done in 1999 and for all that He will do in 2000.

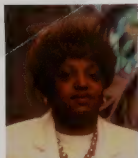

"Love is patient; love is kind. It bears all things, believes all things, hopes all things, endures all things. Love never ends."

I Corinthians 13:4, 7-8

Delores D. Johnson

CHURCH ADMINISTRATOR

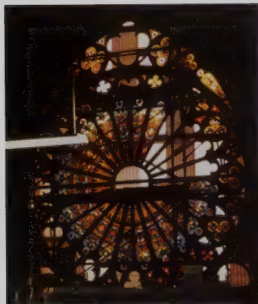

We praise God for His vision of growth for St. James AME Church. In April 1999, the Administrative Staff was expanded to include the position of Church Administrator whose role is to handle the business affairs of the church and manage the day to day operation of the church. Additionally, the Church Administrator serves as the liaison between the church and all of its subsidiaries.

We praise God for the accomplishments achieved in 1999, which includes:

- The completion of the \$1.2 million church restoration project that culminated in the meticulous restoration of the magnificent Rose Window. The massive stained glass window was reinstalled piece by piece in early October.
- The design and installation of a state of the art computer network that provides the users with external and internal EMAIL, Internet access, the latest versions of operating software, and an upgraded windows based church information system.
- The implementation of new administrative processes and procedures as well as changes to existing procedures. These changes improved purchasing, payroll, property maintenance and human resources management.

We thank God for the privilege of serving Him and His people. With His help we expect continued improvement in the operation of the church in the year 2000. We are Growing for God's Glory!

*"Therefore, my beloved,
be steadfast, immovable,
always excelling in
the work of the Lord,
because you know
that in the Lord your
labor is not in vain"*

Recently the after school program was selected by the New Jersey Performing Arts Center to participate in its ten week *Artist in Residence* program.

St. James Center for Family Life, a comprehensive free health-care clinic is located in the *St. James Family Development Center*. The center is open on weekdays and has served more than 1,600 Newark residents, church members and students of St. James Prep since June of 1999. Under the auspices of St. Barnabas Healthcare System, the center has received major funding from the Healthcare Foundation of New Jersey and the Robert Wood Johnson Foundation.

St. James Safe Haven Summer Camp has been in operation since 1994. Under the directorship of Rev. Deborah Richardson, the camp does a superb job in providing a safe, fun filled, educational, and culturally enriched environment during the summer months for youth ages 5 through 14. Staffed by an experience staff of teachers and counselors, the program is designed to support children academically and address the issues of violence and prevention.

The summer camp, provided programming for 95 campers and their families. It received its funding through a \$20,000 grant from the *Victoria Foundation*.

Commission On Youth Ministries

The Commission on Youth Ministries is a governing board that oversees all of the activities pertaining to children and young people at St. James. Over the past year the Commission has worked diligently and prayerfully to design and enhance ministries that will help fulfill our church's mission statement, "growing fully mature followers of our Lord and Savior Jesus Christ".

- One of the latest projects of the Commission is Friday Night Live, a ministry which involves young people from our congregation and surrounding community. The young people participate in a variety of activities, which include: Youth Choir rehearsal, Youth Dance rehearsal, and Youth Bible Study. Our teenagers also participate in a life skills seminar known as Women of Virtue and Men of Honor, which works to prepare them, spiritually, emotionally and socially for the challenges of the 21st century.

"Train children in the right way, and when old, they will not stray."

Proverbs 22:6

- The young people of St. James, continuing to grow for God's glory, celebrated on October 3, 1999 as we held the opening service of the St. James Youth Church. The Youth Church is especially designed to minister to the needs of children ages 4 – 17. In a society that puts great demands on the Christian family and young people, the youth Church provides a space where young people can praise and worship God in a way that appeals to their generation and promotes their spiritual growth.

- We are also proud to be represented on a Conference level. Rev. Natasha Johnson, a youth minister at St. James, serves as the New Jersey Conference Y.P.D. president. Moreover, our own Keith Bonds won first place as the New Jersey Annual Conference Youth of the Year 1999 – 2000.

- On October 31, 1999, St. James hosted over four hundred young people from the local area at our Community Party.

- The young people were also outstanding in their performance, "A Journey in Time", presented as a dinner theater production which celebrated the achievements of African Americans throughout history.

As commanded by the prophet in the book of Nehemiah, "build up the wall of Jerusalem, that we no longer be a reproach" (Nehemiah 2:17b) we are striving to build up the walls of a community in which our young people can themselves build lives of character, integrity and faith.

"Let the little children come to me, and do not stop them; for it is to such as these that the kingdom of heaven belongs"

Matthew 19:14

St. James Preparatory School

A CHRISTIAN ACADEMY OF EXCELLENCE: EDUCATION FOR THE 21ST CENTURY

n Newark, New Jersey, as in many other communities throughout America, there is a dire need for quality educational alternatives.

St. James African Methodist Episcopal Church has helped meet these needs for Newark and surrounding communities by establishing St. James Preparatory School.

Under the authority of an independent Board of Directors, St. James Prep is a unique, innovative college preparatory Christian academy (grades seven through twelve) for young men and women of all races and religions. Designed to prepare students for leadership roles in their chosen fields and communities, St. James Prep offers a biblically based rigorous multicultural curriculum. In addition, the core program and a variety of enrichment activities emphasize the importance of morality, ethics, spirituality, clear values and service in today's society.

Anticipating the workplace of today and tomorrow, the St. James Prep curriculum integrates the use of the latest education technology and tools with proven teaching techniques. To meet the challenges of providing a 21st Century education, St. James Prep is housed in a newly built, state-of-the-art, high tech facility. The colorful classrooms, comfortable "think chairs" and light-filled hallways of St. James Prep are reflective of its leading edge

high tech environment. "Technology is not an option: it is a requirement for the leaders of tomorrow" states Dr. William D. Watley, Senior Pastor of St. James A.M.E. Church and Chairman of the Board of Directors of St. James Prep. "The more adept our students are, the better prepared they will be."

The SYSTIMAX®, GigaSPEED installation by Lucent Technologies provides St. James Prep with more access capabilities than many universities. In terms of technology, St. James Prep is a model for the State of New Jersey and for many other parts of the country as well.

St. James Prep is located in a "higher education corridor" that includes Essex County Community College, Rutgers University, the New Jersey Institute of Technology (NJIT) and the University of Medicine and Dentistry of New Jersey (UMDNJ) which offers an exciting component to the educational experience of St. James Prep students.

The St. James Prep, Christian Academy of Excellence, is based on the fundamental belief that all children can learn far more than is commonly expected of them. Furthermore, St. James Prep is committed to creating a biblically based and technology based learning environment at every level. Each student will graduate from the school grounded in the Christian faith traditions and will be astute at using computers and a full-range of other communications and business technology. In a world where moral leadership and the use of advanced technologies will be imperatives for success, St. James Prep School students will be ahead of their peers.

"Give instructions to the wise and they will become wiser still; teach the righteous and they will gain in learning."
